List of Users

Within the side options bar, you will need to select the **User Manager** option.

Within the Users section, you will find several components that describe a user:

1. **Portfoliod**
2. **Manual Queue Selection**
3. **Profiles**
4. **Options (Edit user & Deactivate User)**
5. **Access Level and Rank**
6. **Manual Calls Only**
7. **User Information**
